GLAMROOM

Gioielleria Trend

Collocato all'interno del Distretto Look, Glamroom è un progetto espositivo innovativo, un format nel quale il gioiello easy to wear si svincola anche dalla pura preziosità dei materiali per rendere protagonista il design. È un luogo dove trovare spunti sulle tendenze e cogliere la creatività in continua e dinamica evoluzione, con la stessa stagionalità della moda. Il risultato è un open space capace di creare un'atmosfera dinamica per rendere il prodotto direttamente accessibile ai clienti, che nella Glamroom possono toccarlo, indossarlo, farsi coinvolgere insieme ai creatori. L'acquisto diventa così un'esperienza e un momento di condivisione all'insegna del glamour.

Trend Jewellery

Located inside the Look District, Glamroom is an innovative project, a format in which the easy to wear jewel frees itself from pure precious materials to highlight its peculiar design. It's a special area where it's possible to find ideas on trends and capture the creativity in continuous and dynamic evolution with the same seasonal fashion. The result is a dynamic and very colorful environment. An open space able to create a friendly atmosphere where the products on display are directly accessible to the customers who can touch them, wear them and meet their creators. Thus purchasing becomes an experience, a moment to be shared, all in the name of glamour.
